MRCB's Group Managing Director Wins 5th Malaysia Business Award for Excellence in Development and Construction

Kuala Lumpur Sentral CBD, 8 November 2013 – Malaysian Resources Corporation Berhad's (MRCB) Group Managing Director (GMD), Datuk Mohamad Salim Bin Fateh Din tonight received the Industry Excellence Award for Development and Construction at the 5th Malaysia Business Award gala dinner held at Renaissance Hotel.

A successful entrepreneur with a pioneering spirit, he heads MRCB, one of the first property developers to embark on the green development concept. His hallmark green projects include MRCB's 348 Sentral project (Menara Shell) at Kuala Lumpur Sentral CBD and the ongoing PJ Sentral Garden City, both hailed as industry benchmarks geared towards the highest standard of the Green Building Index (GBI) as well as Leadership in Energy & Environmental Design (LEED).

"I am grateful to have received this award, which is a true recognition of MRCB's achievements in the property development and construction sector plus my earlier contributions to the sector prior to joining MRCB. I will continue to build on MRCB's strengths and will commit myself and the able workforce of MRCB to deliver various infrastructures that support the national economic development agenda," said Datuk Mohamad Salim while sharing his thoughts on receiving the MBA.

The ASEAN-BAC Malaysia Business Awards (MBA) is an awards event designed to promote excellence, innovation and best practices in business entities and is widely regarded as the ultimate showcase of outstanding businesses and personalities in Malaysia.

Apart from his Green innovations for MRCB, Datuk Mohamad Salim had throughout his earlier career pioneered innovations in other sectors, such as the "Super Store Petrol Station" concept for leading oil companies namely Shell, Esso, BP and Caltex. He also designed the latest distribution centres for retailer Giant by modernizing and improving its food-processing systems while reducing its logistic costs and delivery turnaround time.

Datuk Mohamad Salim currently also sits on the boards of Gapurna group of companies; is the Chairman of British American Tobacco (Malaysia) Berhad and the Chairman of the Malaysia-Pakistan Business Council. He has contributed unwaveringly towards the creation of bilateral trade opportunities between the governments of Pakistan and Malaysia as well as the business communities of both countries. For his contribution, the government of Pakistan has honoured him a Medal of Excellence or Tamgha-i-Imtiaz.

He is a Commission Member of the Malaysian Communications and Multimedia Commission (MCMC). He is also a long-serving member of the Board of Trustees at the Yayasan Pendidikan Cheras a non-profit organization with the sole objective of providing assistance to schools in implementing various programmes under the School Adoption Programme.
